TO: Organizations requesting funds from The Rotary Club of Clearwater East

FROM: Diane Sharp, President, Clearwater East Rotary

Congratulations on being nominated by a member of the Rotary Club of Clearwater East as an organization to be considered as a recipient of funds we will raise during this Rotary year. For more than 35 years The Rotary Club of Clearwater East has worked hard to improve the lives of those who reside in our community.

We invite your organization to apply for a charity grant up to \$5000. We will be judging all of our grant applications based on the following criteria:

1. Is a defined community need addressed?
2. Is the funding request for a capital project, equipment or program?
3. Can the Rotary Club of Clearwater East have an impact on solving this need?
4. The support and number of volunteers your organization can provide assisting with our ONLY fundraising event.

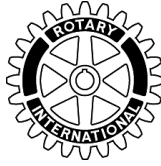

Our sole fundraiser for this Rotary year is a concert by James Rogers, the headliner at Dollywood. **The success of this concert and the money raised will have a direct impact on every charity requesting funds.** We are offering organizations the opportunity to raise money by helping to sell tickets to the concert. **Clearwater East will refund \$5 per ticket to any organization that sells 50 or more tickets.** This is a great opportunity for your organization to help support our fundraiser AND raise money for yourself. I am including a concert brochure with this application.

*The Rotary Club of Clearwater East does not provide funds for salaries or general operating expenses from its fundraising. We only fund programs and projects that meet specific community needs.*

Completed applications are due by Monday, November 30, 2009. Once we have selected our charity partners, we will promote them as part of each fundraising project or event. Proceeds from our fundraising will be distributed during a March 2009 regular Rotary meeting.

We look forward to receiving your completed application along with your ticket order. Please feel free to contact me if you have any additional questions.

**The Application Deadline is Monday, November 30, 2009**
